SAKE, INTO A NEW SOCIAL ERA.

Japanese soul. Tokyo attitude. *Todd English taste.*

Tokyo Rocks brings sake into a new social era, combining Japanese-inspired flavors, sparkling refreshment and Chef Todd English's culinary creativity.

Inspired by Tokyo's vibrant culture, where tradition meets reinvention, the brand makes sake approachable, modern and ready to enjoy. Four signature flavors define the collection: Yuzu, White Peach, Lychee and Shiso Grapefruit.

Distinctive slim cans and a variety eight-pack (four flavors, two of each) with a carry handle create a striking presence, from retail shelves to restaurant tables, rooftop bars and beach clubs.

With a proposed 5% ABV, Tokyo Rocks is designed to unite culinary character with the convenience of a ready-to-drink spritz. The ambition: a globally recognized sake spritz brand.
